Daily Schedule Preschool 4's

9:00-9:10	Greeting	<i>Objective – To allow children an easy opportunity to enter the classroom, greet others, and get ready for their day.</i>
9:10-9:25	Circle Time	<i>Children find a spot on the rug where they learn and discuss the theme for the day. Planned activities for the day are also introduced. Children are given the opportunity to share thoughts, ideas and information with their peers. Circle time allows development of communication and social skills including listening, turn taking & body/space awareness.</i>
9:25-10:15	Discovery Time	<i>Children are able to complete the daily theme-centered activities as well as explore other classroom centers including: blocks, dramatic play and dress up, cars and trucks, texture, reading center and science center. Chosen activities help to develop fine motor skills (cutting, object manipulation), sequencing, ability to follow multi-step directions, and creativity. Discovery time also develops decision making, social skills, sharing, problem solving, and conflict resolution. Small groups may be used during this time for specialized learning opportunities.</i>
10:15-10:25	Clean Up	<i>To teach responsibility, teamwork, and caring for one's belongings.</i>
10:25-10:45	Circle Time	<i>Children are engaged in songs, finger plays, and stories. Show & Tell or Calendar activities may also occur. This time helps develop self- confidence, and concepts including patterns, rhyming & rhythm while reinforcing listening skills.</i>
10:45-11:05	Snack	<i>Reinforce manners and nutrition. Develops social skills.</i>
11:05-11:25	Outside Play	<i>To increase social interaction, good sportsmanship, large motor skills and FUN! If weather does not permit – we will have music and movement inside.</i>
11:25-11:30	Dismissal	<i>Children gather their belongings & wait for dismissal.</i>
