

Parent and Tot Program

Novi Co-op Preschool
41671 West Ten Mile Rd.
Novi, MI 48375

248-349-3223 ♥ www.novipreschool.com

This introductory pre-school class is designed for younger children. A parent or caregiver joins the child for each class to help them in their first steps toward socialization and a love of learning.

We will incorporate age-appropriate activities including craft projects, songs, finger plays, stories and open play time. These activities are meant to help in the fine-motor, gross-motor, sensory & social development of your child.

Parent and Tot Classes meet on Wednesdays and Thursdays (only enroll for one day per week). Classes are taught by one of our preschool teachers.

**Please note there must be a minimum of 4 students enrolled for each class to be held.

**Additional sessions may be added to accommodate additional students

Children should be 2 years old by the start of the session to participate in this program.
