## 3's Daily Schedule

9:15-9:30	Arrival/ Free Choice	<i>Allows children an easy opportunity to enter the classroom, greet others and get ready for the day. This period gives the children time to get excited for day and become comfortable saying goodbye.</i>
9:30-9:45	Circle Time	<i>Children find a spot on the rug where they learn and discuss the theme for the day. Planned activities for the day are also introduced. Circle time allows the development of communication and social skills including listening, turn taking &amp; body/space awareness. Children may also learn about weather and seasons, count with the calendar, and be assigned a job for the day which encourages responsibility.</i>
9:45-10:40	Discovery Time	<i>Children are free to explore any or all of the centers open for the day. Centers may include science/math, sand/water table, playdough, housekeeping/dramatic play, climber, blocks, writing, manipulatives, and art. Chosen activities help to develop fine motor skills, ability to follow directions, and creativity. Children will also be developing decision making skills, and social skills such as taking turns, playing cooperatively, problem solving and conflict resolution.</i>
10:40-10:45	Clean Up	<i>To teach responsibility, teamwork, and caring for one's belongings.</i>
10:45-11:00	Circle Time	<i>Children are engaged in songs, finger plays, stories and movement games. Show &amp; Tell activities may also occur. This time helps develop self- confidence while reinforcing listening skills.</i>
11:00-11:20	Snack	<i>Reinforces manners and nutrition and helps develop social skills.</i>
11:20-11:40	Outside Play	<i>To increase social interaction, good sportsmanship, large motor skills and FUN! If weather does not permit – we will have music and movement inside.</i>
11:40-11:45	Dismissal	<i>Children gather their belongings &amp; wait for dismissal as we review our day and sing our closing song.</i>
